

Dear Parent/Guardian,

Thank you for your continued support as we use Class Dojo to keep an open communication with regards to your child's behavior at school. I will try to send messages when points are earned or lost – I appreciate your understanding that I do not want to (and sometimes simply cannot!) stop instruction often. Our points are based off of Creech Road's "ROAR" – below you can find a list of what the symbols mean and example behaviors for each.
